

Portal site for information dissemination to foreigners

JLEFsupport

Communicating,
conveying and
understanding Japan

JLEF Support is an information support site for foreigners regarding living and working in Japan. We deliver information on a daily basis in order to make people like Japan more.

Member
Registration

Free of charge.

JLEF News

We distribute articles on the Japanese system and related news in easy-to-understand expressions.

Video

We provide videos with difficult tax-related explanations, Japanese culture, manners, how to deal with problems, and more.

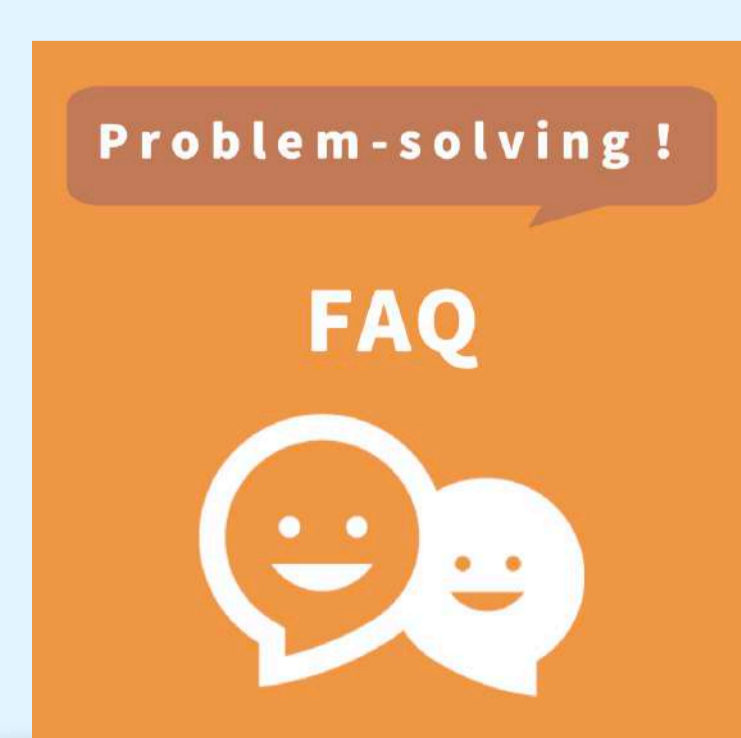

Tokuteigino
Manual

Information on specific skills is compiled in an easy-to-understand format.

FAQ

FAQs on work, daily life, status of residence, social insurance and taxes, etc. are compiled here.

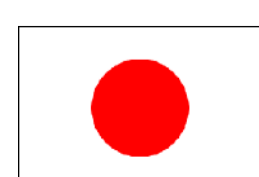

Event

We are planning events that everyone can enjoy, such as photo contests and giveaway programs.

Questionnaire

We are collecting your opinions in order to create JLEF Support together.
